WELCOME TO ORTING

Orting is a family-friendly bedroom community located in the foothills about an hour south of Seattle. Orting is known for its semi-rural setting, quaint downtown, breathtaking views of Mt. Rainier, and the 21-mile Foothills National Recreation Trail that runs the length of the city. Orting enjoys close proximity to the big city amenities of Tacoma and Seattle as well as easy access to the Seattle/Tacoma International Airport. Within an hour residents can be skiing in the Cascades, climbing an active volcano, sailing on Puget Sound, or enjoying a day of urban adventure.

THE CITY OF ORTING

Incorporated in 1889, the City of Orting is currently operating as an optional code city served by a strong mayor and a seven-member council. With a 2023 budget of \$39.7 million, the City serves 9,055 residents across 2.7 square miles with a team of 40 FTEs. The mission of the City is to provide services with integrity, teamwork and initiative to make Orting a better place to live, work, play and do business, while preserving a strong sense of community.

THE COMMUNITY DEVELOPMENT DIRECTOR

Under the general supervision of the City Administrator, the Community Development Director integrates the Planning, Building and Code Compliance operations of the Community Development Department. The Community Development Director plans, organizes, directs and controls the functions of the Department, which include current planning, long-range planning, code enforcement, building and fire plan review, inspections and permitting. The Department operates with a team of 2.75 FTEs.

The Director advises the Mayor and City Council by making policy recommendations on various land use and development issues. This position requires a high degree of subject matter expertise, independent judgement, initiative, and discretion.

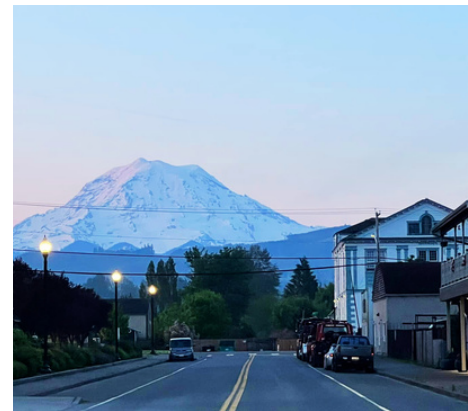

EDUCATION & EXPERIENCE

Bachelor's degree or equivalent from an accredited college or university with major course work in planning, public administration or a closely related field. Five years of increasingly responsible management or supervisory experience in county, municipal or regional planning, or closely related field. Or any satisfactory combination of experience and training which demonstrates the knowledge, skills and abilities to successfully perform the job.

Possession of, or ability to obtain, a valid AICP certification from the American Institute of Certified Planners within one year of employment is preferred. The ideal candidate will have a strong understanding of the Washington State Growth Management Act and other state regulations.
